## Description

In the new construction project "Mercator Garden", near the Gare du Nord and Tour et Taxi, we propose you ten parking spaces for sale as a block. Currently, the car parks are rented to BePark for +/- 125 euros/month/car park NETTO + VAT (recoverable). Possibility of ending the contract with BePark and renting on your own. This is a medium-term investment, very promising given Brussels' desire to eliminate surface parking spaces! Special deal: for 9 parking lots purchased, the 10th is offered!
